\*When installing on a Bourgault 3310 & 3320 PHD Drill spacer 680-ACC-0003 is required. See page 89 for more details. Use bolt holes shown in Fig.1.

\*\*When installing on a Bourgault 3310 & 3320 PHD Drill spacer 680-ACC-0002 is required. See page 89 for more details. Use bolt holes shown in Fig.1.

## Opener Features:

- Hard facing is placed on critical wear points to ensure a long-lasting holder.
- The sleek holder design combined with the front delivery concept reduces plugging and encourages trash clearance.
- Designed for use with 1-1/4" (31 mm) O.D. hose. Bushings available for smaller hoses.
- Quick change liquid insert provides easy switching from granular to liquid.
- For all above openers, liquid phosphorus option is also available. Please call the factory for more information.

For a more detailed view of these openers see page 104-105.
