

SPEED-LOC™

The *Speed-Loc™* system provides more benefits than any other system!

Consistent depth control: The upper stop on the *Speed-Loc™* adapters ensures that your tillage or seeding tools are always running at the same depth.

Peace of mind: The spring-loaded locking pin ensures that the tools will stay securely in place in all conditions, and we back that up with a 100% guarantee.

Years of trouble-free operation: The *Speed-Loc™* adapters are designed with durability in mind. The cast adapters are heat-treated for increased strength and wear resistance.
